Who is Care Net?

Care Net is a Pregnancy Support Center, located in Missoula, MT. We are a Christian, faith-based organization that exists as an alternative to abortion.

Our mission is to assist anyone experiencing an unplanned pregnancy or desiring STD/STI testing. We are committed to supporting women, men, and their families through pregnancy and beyond by providing educational, emotional, spiritual, and material support. We provide this assistance free-of-charge* to anyone in need, regardless of their personal history or religious beliefs. We provide compassionate, non-judgmental care with the utmost level of confidentiality.

Our services include pregnancy tests, limited ultrasounds, STD/STI testing, material assistance, parenting education, support for women and men, post abortion counseling, and referrals to outside agencies.

*Though our services are free, certain STD/STI tests carry a low lab fee which is passed on to clients.

How it Works:

- 1 Pick up a baby bottle after the service.
- 2 Fill your bottle with spare change, cash, or a check.
- 3 Return your bottle.

We recommend that you return the filled baby bottle to your church by June 16th, 2023.

After that time, you can drop off your bottle to at the Care Net Office.

How to Be Pro Abundant Life

- For women who are being pressured to abort, that they will choose life.
- For our center staff and volunteers: for protection, wisdom, and God's strength.
- That each person who comes into our center would experience the Love and Hope of Christ.
